

E-POX-EE KLEENER™

Hand Kleener for Removing Resins & More!

E-POX-EE KLEENER™ is a unique industrial hand cleaner made especially for removing unreacted liquid epoxy, polyester, urethanes and other resins from the skin. It will also remove liquid paint, lacquer and grease.

Directions for Best Results –

DO NOT WET HANDS BEFORE USING

1. Dispense a liberal amount of Kleener onto the hands.
2. Work well into resin contaminated areas.
3. Wash hands with soap and water.
4. Repeat as necessary.

Safety First!

- For Industrial Use Only – Keep Away From Children
- If ingested, contact **Poison Control** in USA; 1-800-222-1222
You Can Also Call; **Chem-Tel** in USA; 1-888-255-3924
